

Alpha trolley

An adaptable and hardworking trolley for use with pre-soak microfibre cleaning systems.

The lockable Alpha Trolley is perfect for cleaning areas with small amounts of storage. It is used primarily with Robert Scott pre-soak microfibre products and developed with large sites in mind such as hospitals, schools and shopping centres. The Alpha Trolley, with its lockable central cupboard, is made from shock proof plastic and is delivered fully assembled.

Lockable storage cupboard with x2 shelves and tray.

Folds to a compact size of 80cm wide for easy storage.

Key features & benefits

Large areas

Microfibre Cleaning

Lockable
