Polypropylene pedal bin

A range of hygienic, hands-free polypropylene pedal bins for the safe disposal of everyday waste.

Sturdy foot operated bins made from easy-clean hygienic polypropylene, suitable for almost any environment.

The 45 litre bin is available in six colours, making them ideal for colour coded use in healthcare, medical, catering and office settings. Larger 87 litre bin is available in two colours.

Sectors

Care homes, catering, hotels, healthcare, hospitality, housing, industry, leisure/holiday, medical, office equipment, transport.

Key features & benefits

Colour coded

Foot operated

Strong & sturdy

Foodsafe

- Foot-pedal operation for the safe disposal of waste.
- Hands-free compliant with HACCP recommendations.
- Easy-clean polypropylene.
- Strong, sturdy design with reinforced edges for added strength.
- Fully colour coded and now available in blue, green, red and white, along with grey and yellow.

Reviews

For the price the pedal bin is a strong and substantial design. We see this as a hard-wearing product that's priced at a point that we feel beats other competing products.
