

Deodoscreen scented urinal screen

A new scented screen designed to fit any urinal and made in the UK from recycled materials.

Deodoscreen is a scented urinal screen suitable for in any urinal and is available in three fragrances, which lasts up to 30 days to help mask bathroom odours. The screen also prevents blockages.

It is made from a minimum of 75% recycled plastic so colours may differ and include flecks. The screen is 100% recyclable, and the box and bag are made from recycled material.

Deodoscreen is available in packs of 12 in floral blue, mint green and red cherry colour coded fragrances.
