**Floor Cleaning Shadow Board**

# A new cleaning station containing all the essential cleaning tools for floors and quick response clean ups from Robert Scott.

Using a shadow board makes sure your cleaning tools are in the right place, are easy to find, helps to identify missing equipment, and provides a neat and tidy storage place when not in use.

This shadow board includes spaces for a 30cm Soft Washable Broom (104947) and 125cm Hygiene Handle (103132), a 200g Hygiemix Socket Mop (103062) and 125cm Hygiene Handle (103132), 15L Recycled Professional Bucket & Wringer (102946), Soft Professional Dustpan & Brush (102940), and a Safety Floor Sign (101423).

The board is made from lightweight aluminium composite with a durable and easy clean PVC coating, supplied with five hooks and one bracket, and available in four hygiene colours. The floor cleaning products can also be ordered in singles (104941) and four colours.

## Key features and benefits

Floorcare

Easy clean

Time saving

Colour coded

- Display and store essential cleaning tools in one area.
- Makes it easy to access cleaning equipment.
- Available in hygiene colours to prevent cross-contamination.
- Can be bespoke designed.

## Design service

Robert Scott can also help you design your own cleaning shadow board, and a MOQ of 5 applies. Contact your account manager for further information.

## Fixing guide

Wall fixings are not supplied as dependent on wall type. Please note, the hooks protrude on the rear of the shadow board and so packers need to be used.
