Serious cleaning know-how

**Centrego Renew**

# The chemical free way to clean small and medium spaces.

Centrego Renew is a revolutionary disinfectant cleaner generator that means you can stop using 80% of chemical cleaners and disposing of the single use plastic bottles they come in.

Using just water, salt and electricity it makes up to two litre of powerful, eco-friendly and safe antibacterial multi-surface cleaner that kills up to 99.999%. Part of the Toucan Eco range, the Centre Renew model is designed for cleaning small to medium workplaces.

## What it's used for

Toucan Eco can be used for a range of applications.

- ✓ Clean and disinfect any surface, including kitchens, bathrooms, fabrics and glass.
- ✓ You can use it as a deodoriser as it kills the germs that creates the odour.

## Key features & benefits

Kills up to 99.999% of germs

Environmentally friendly

Cost effective

Non-toxic & hypoallergenic

- Kills up to 99.999% of germs
- Fast acting
- Antiviral and antibacterial
- Safe and hypoallergenic
- Reduces chemical and plastic waste
- Saves money
- Fragrance free

## How to use

For normal strength solution (125ppm) add 4g of salt to two litres of water, stir, one press of the button and the solution activates for 4 minutes. For double strength solution (250ppm) add 8g of salt to the two litres of water, stir well and press twice to activate the solution in eight minutes.

## Active substances

Hypochlorous acid (HOCl) and sodium hypochlorite at a concentration of 125 (normal strength) or 250ppm (double strength), and a pH of between 7.5 to 8.5.

## What's in the kit?

The kit includes the two litre jug, activation base, atomiser spray bottle and measuring spoon. Centrego Renew comes with a 1-year warranty.

## Proven solution

Contains 99.99% water, hypochlorous acid and sodium hypochlorite at a gentle pH that is certified to EN 14476, EN 16777, EN 1276 and EN 13697, and registered as an EU biocide.
