p-wave®

P-Wave® MyFresh Air Freshener

Say goodbye to fragrance overload and aerosol residues; say hello to an immersive, pleasing ambience, tailored just for you.

Introducing P-Wave® MyFresh, our Cleaning Show award-winning innovation. Engineered for precision, it revolutionises air freshening in small, personal spaces with unmatched efficiency and cleanliness.

Available in three premium fragrances that lasts 30 days with 8m² coverage. MyFresh offers discreet fragrance targeting, freshening your surroundings when and where it's needed the most. Ideal for toilet cubicles, vanity mirrors, lifts, gyms, spas, or even a desk in an office, it provides a better user experience than aerosol alternatives.

MyFresh features a lockable design, an LCD alert for refill replacement, adjustable fan settings, and operates on a single AA battery. Its eco-friendly, and has a recyclable refill system.

FEATURES & BENEFITS

Recyclable refill | Powerful fragrance | Replacement notification | Long-lasting | Motion activated

- Powerful long-lasting 30 day fragrance with 8m2 coverage.
- Upgraded fan and adjustable frequency settings, motion-activated freshness.
- Compact size for personal spaces, and lockable unit for safety and control.
- LCD screen for timely refill and battery replacement and uses a single AA battery operation (included with each refill).
- No aerosols, propellants or solvents.
- Fragrance made from recyclable EVA (where facilities exist) and contains up to 15% recycled content.
