**Phoenix bucket**

# The phoenix bucket has landed.

The 10 litre lightweight bucket has enhanced strength from a fully supported wringer and benefits from a strong, ergonomic carry handle. It features underside tip handles, which makes draining easier and safer. The 30ml detergent reservoir prevents the overuse of cleaning fluid saving money. It is stackable, saving on storage space.

## Key features & benefits

- 10 litre colour coded bucket with white wringer
- Hard wearing easy clip on/off wringer for added strength
- Strong ergonomic handle
- 30ml detergent reservoir and overspill drainer on rim
- Ergonomic tip handles underside
- Colour coded for hygiene regulations
- Stackable for easy storage and display
- Rectangular in shape with pouring lips on two sides

## User instructions

1. Pour preferred detergent to the top level of the detergent reservoir and leave to drain into clean water.
2. Use the underside tip handles when pouring for ease of use.

## Sectors

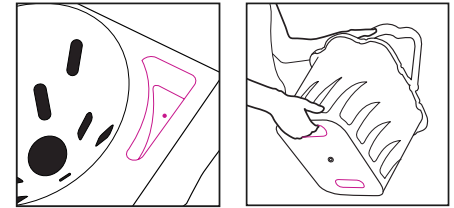

Facility management, care homes, contract cleaning.

## Safety & hygiene

Always use a wet floor sign when mopping floors.
